Purple Flag Folding Instructions (by David Backhus)

#1 – Start with flag print side down and the bottom of the flag closest to you.

#2 – Fold flag in half, right to left.

#3 – Fold flag in half, top edge to the bottom edge.

#4 – Fold flag in half again, top edge to bottom edge.

#5 – Flip the flag over so small Maltese is face down.

#6 – Start at the open end and

#7 – Roll flag under about 1" to 2".

#8 – Then start the triangle fold closed to open (right to left).

#9 – After 3 folds then pick up the 4th fold it should look like the picture (but do not complete the fold.

#10 – Start at the other end of the flag and make the triangle fold and adjustments until you accomplish what it looks like in this picture.

#11 – Split the flag like the picture, between closed folds and the open folds.

#12 – Dress the flag, then flip it over and you should have it perfect!
